SUBJECT: ATC ACQUISITION

As was reported by the media, B&W terminated for the most part the entire ATC sales force this week. There was however, 29 full time people retained. It is noteworthy that 13 of these were managers who are responsible for the AVA business. The remainder were specialty type managers (i.e., Military, Institution Sales, etc.)

It should also be noted that approximately 100 full time ATC sales representatives were offered part time positions with B&W.
